assert who we are... Stop the occupation by using
peaceful, tactical acts of resistance...

KU'E ACTIONS

Assert our nationality! By simply *living as Hawaiian nationals* in our own country, we become *living proof* that the Hawaiian Kingdom still exists! This puts tremendous pressure on the occupier to...

- Stop U.S. attempts to make Hawaiians into an American Indians
- Stop the occupation of the Hawaiian Islands!

PLAN FOR THE FUTURE

- **Reset our thinking.** Train ourselves to accept the fact that Hawaii is an independent nation, not part of the U.S. Do everything with that in mind.
- **Get everyone involved** in envisioning the future...What do we want our free Hawaiian national to be like? How can we get there from here? Develop plans and a course of action. Have the confidence and faith that **we can do this...**

SPEAK TO THE WORLD...

- Engage the press and media and get them excited about telling Hawaii's unique, positive, inspiring story to the world...
